

Welcome to the 2019 Remodelers Tour

We are extremely excited to welcome you to the 2019 Remodelers Tour!

The Remodelers Tour is your chance to visit newly remodeled homes, to find inspiration you can bring back to your own home. These projects will show you how Professional Remodelers and Interior Designers, can **reinvigorate** an outdated design, **repurpose** an unused room, and add a **charm and elegance** to a bland living space. You would be amazed by the things these contractors and designers can accomplish, so don't be afraid to ask them. They will be there to show you and tell you all about the beautiful home they are showcasing. They will be happy to talk to you about your dream project that you hope to achieve in your home!

The booklet you are holding is a guide to our 6 exciting remodeling projects. In it you will find:

- Details about the type of work that was done in each home
- Before and after photos
- Turn by turn driving directions to find the projects easily
- A map in the center of the booklet that shows the location of each of the projects on the Tour

The Remodelers Tour takes place in partnership with the Fall Showcase of Homes. The Fall Showcase is an opportunity to visit newly constructed homes throughout Rochester. You can find all the information for the Fall Showcase on the other side of this booklet. Please take the time to visit these beautifully constructed homes, as they too represent the best newly built homes in Rochester.

The Remodelers Council, is a division of Rochester Area Builders, it is an organization of people in business that are involved in the remodeling industry. Those of us who are members pride ourselves on being **Professional, Knowledgeable, Resourceful, and Community Minded**. Visit our website at **www.RochesterAreaBuilders.com** for more information about the projects you have seen and about our members. If you are interested in receiving a free packet of information about remodeling and/or building, contact our office at 507-282-7698 or email us at **RAB@RochesterAreaBuilders.com**.
